**It's been said
that the people we know
in high school,
we will never see again**

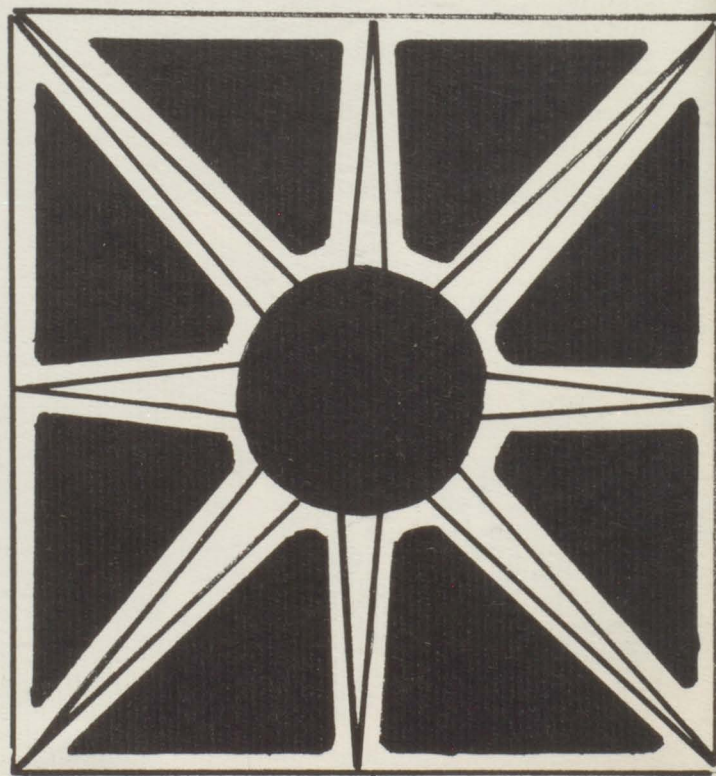

**But what
is high
school?**

**Is it four
long years...**

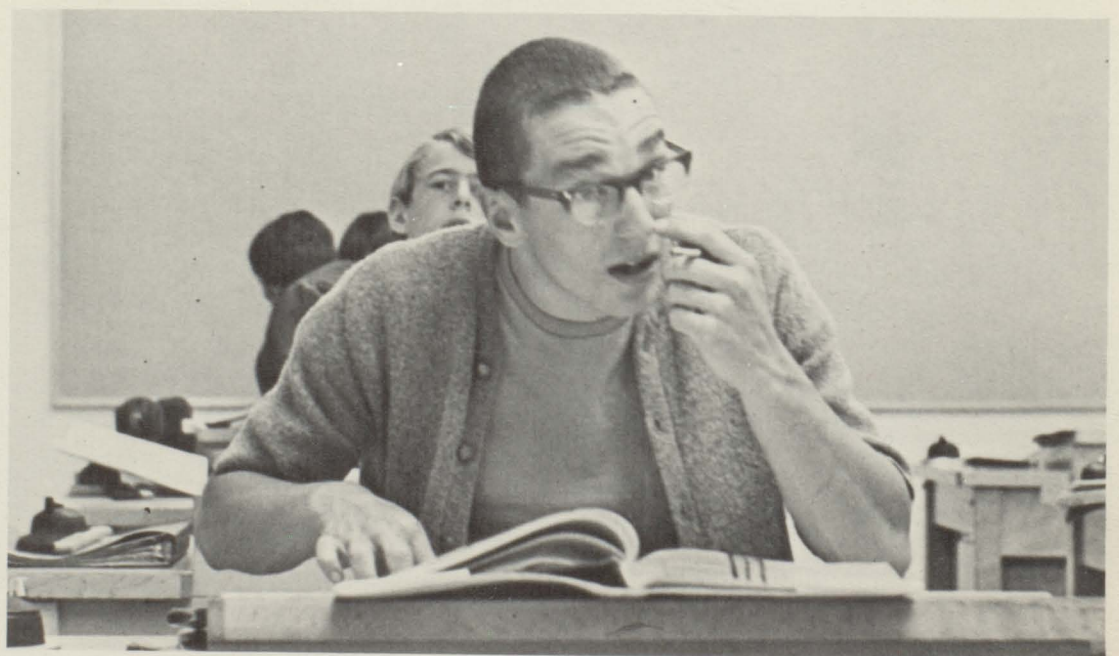

**or four
golden
minutes?**

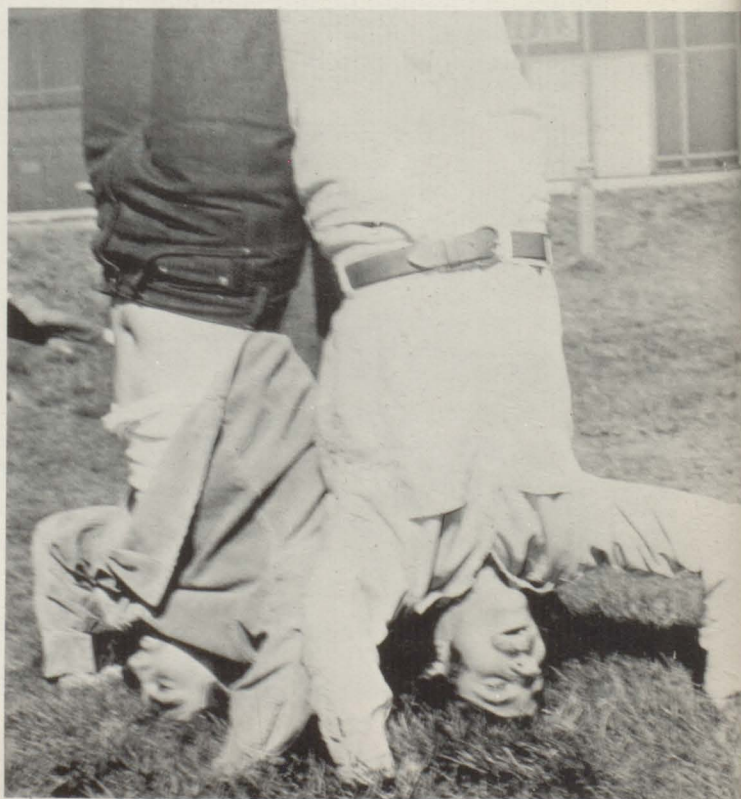

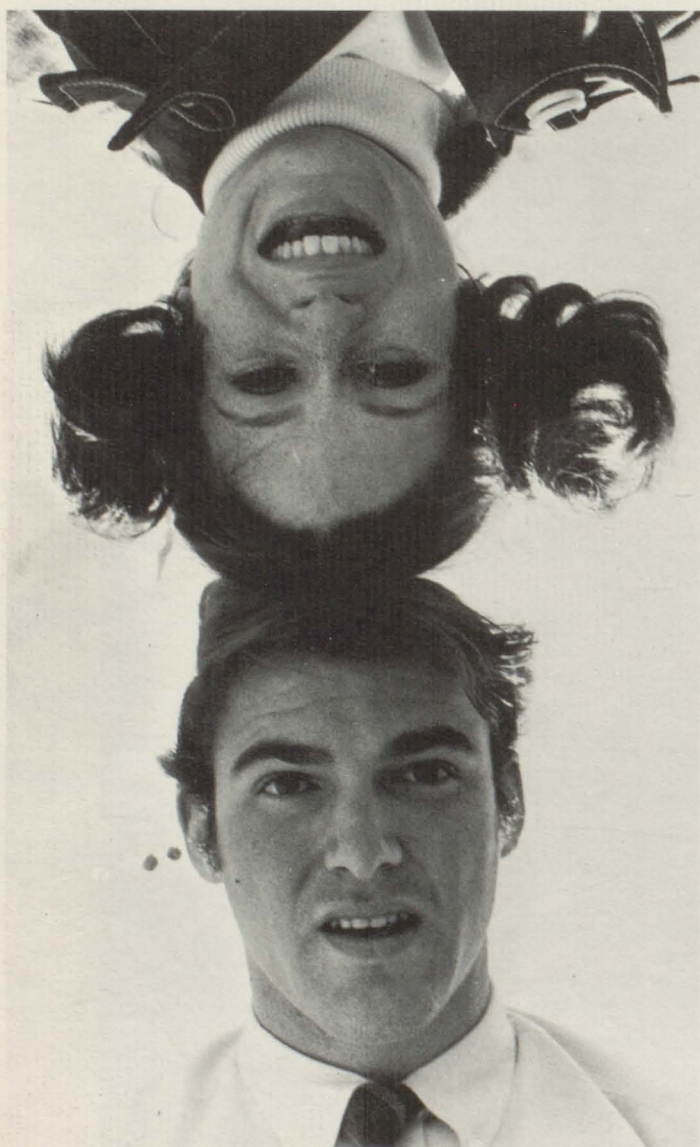

**Was it
being
in
here...**

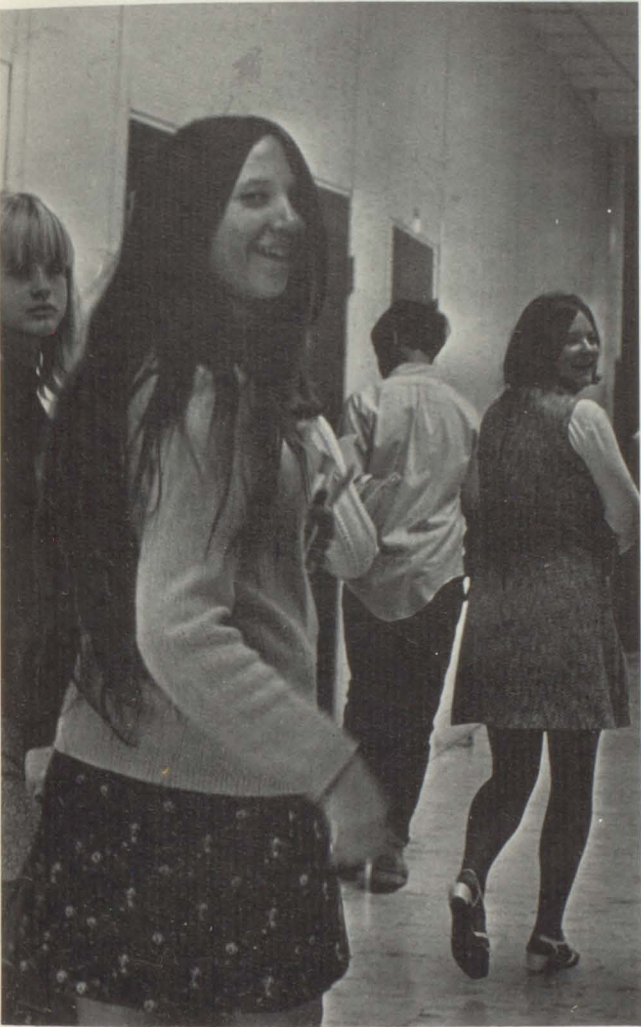

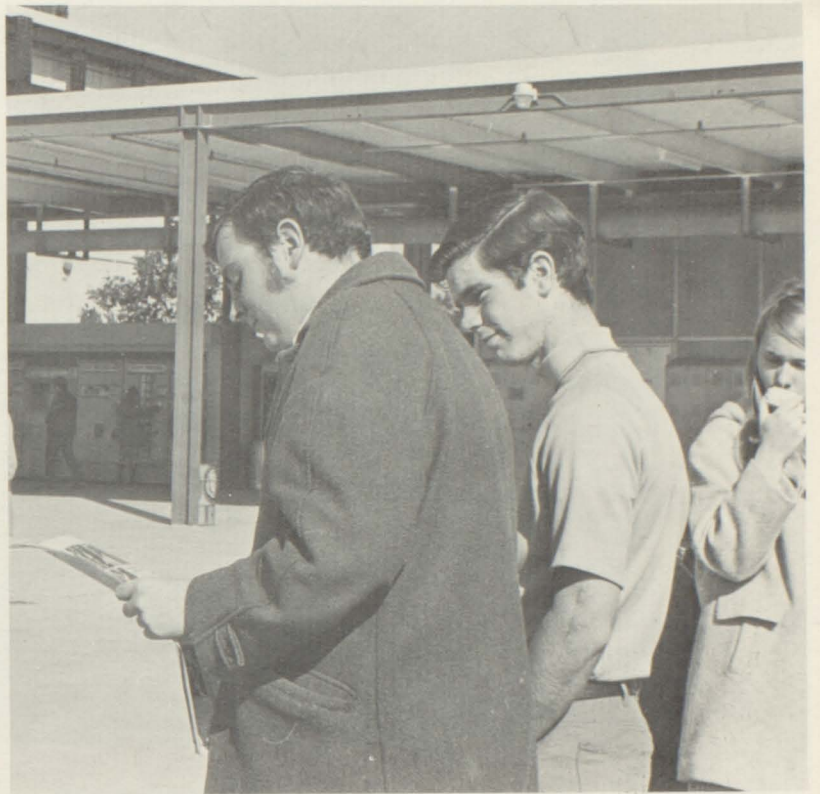

**when
you really
wanted to be
out there?**

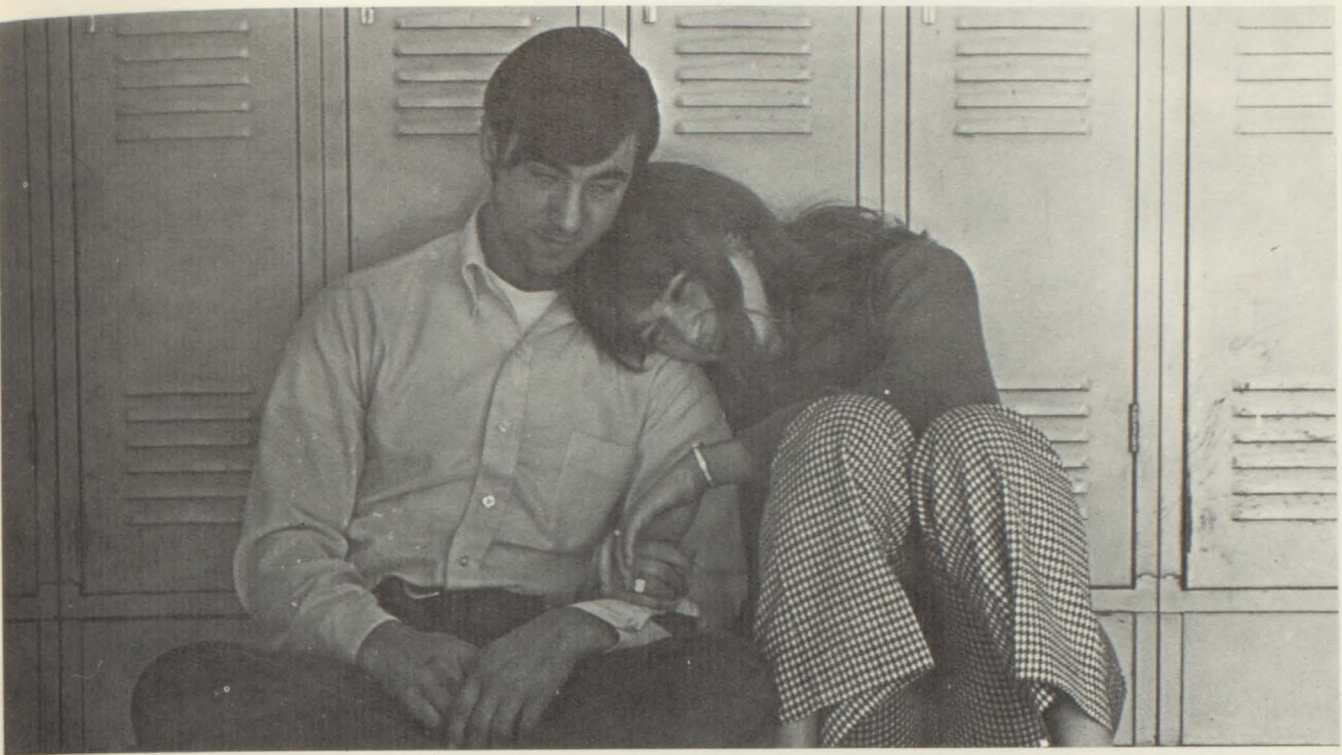

Was it friendship...

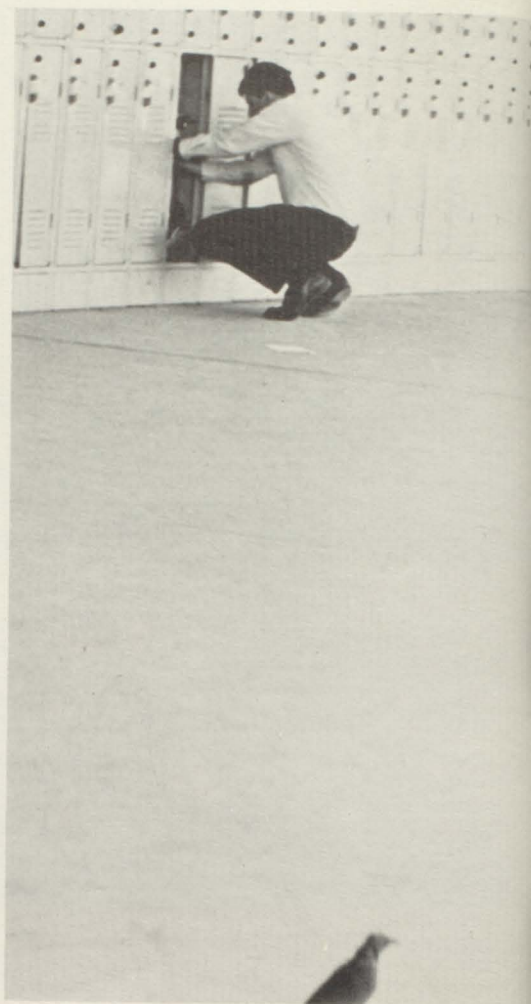

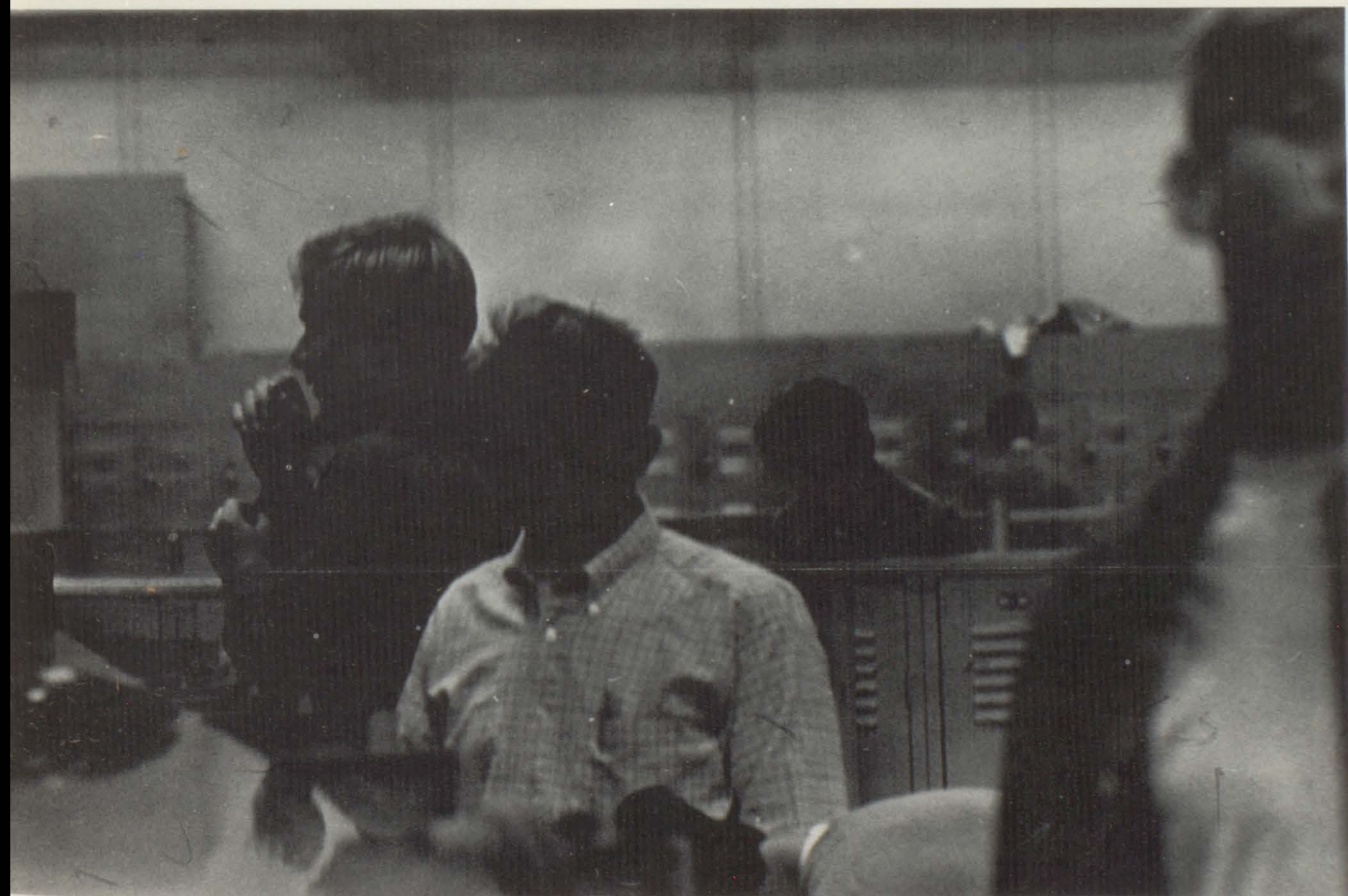

**or
love?**

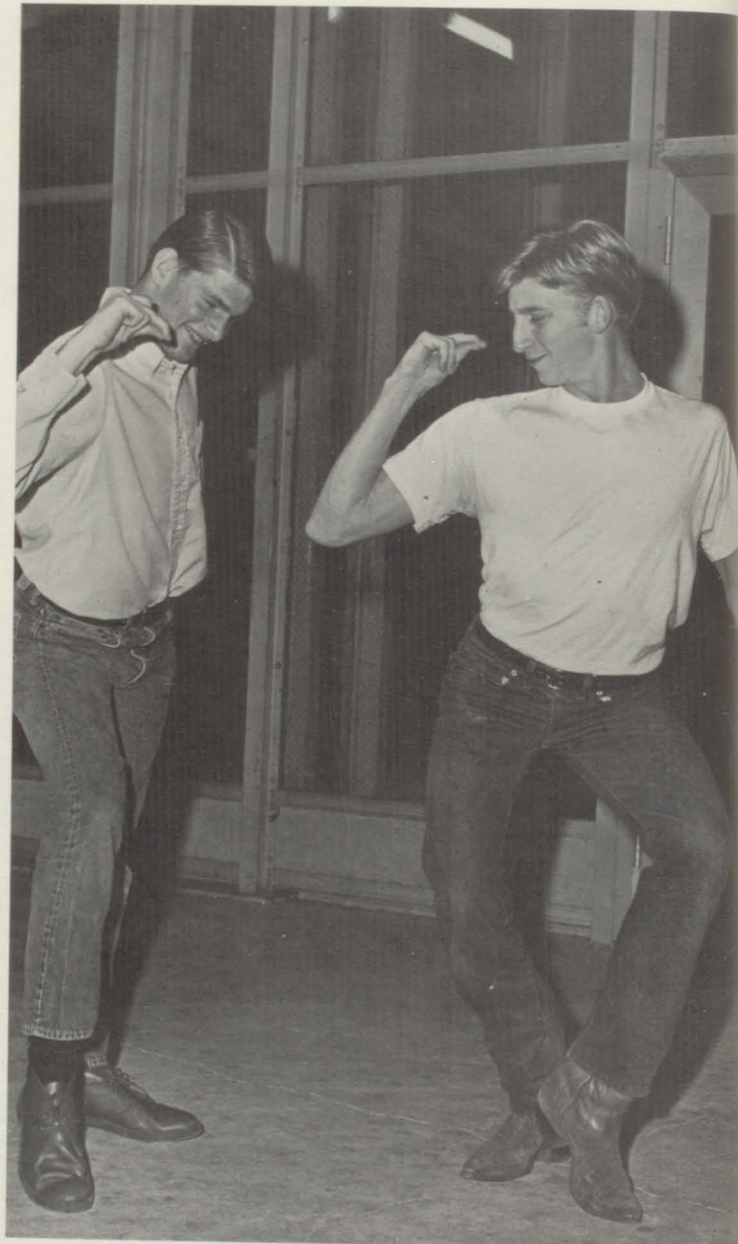

High school will always be remembered...

**for these are
the people we
spent so much
time with.**

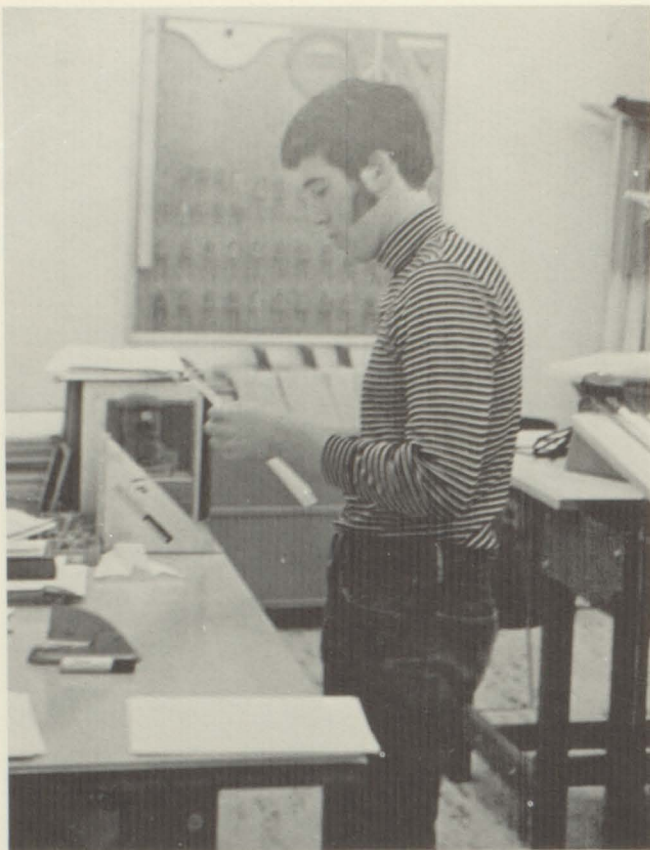

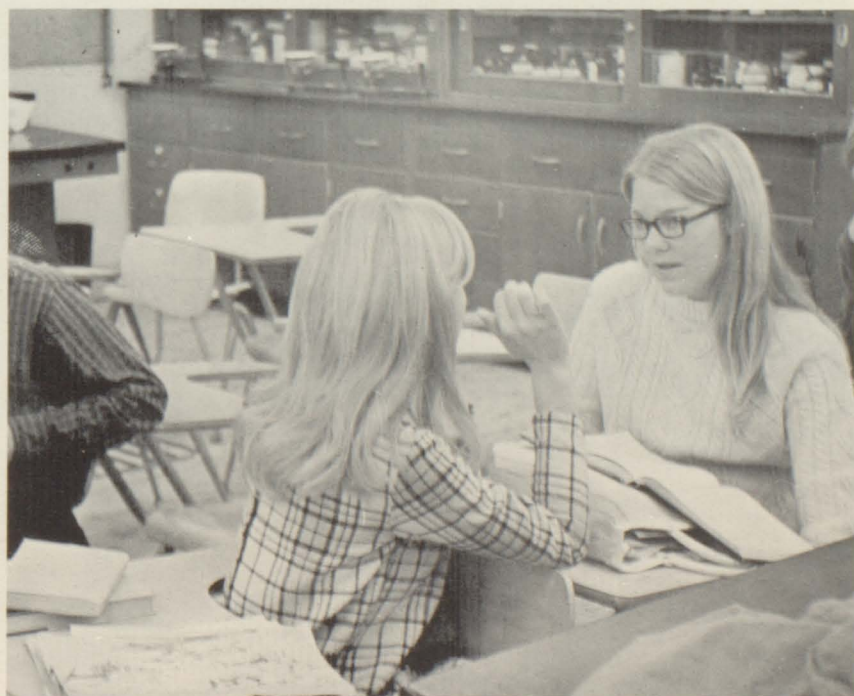

**These are the
people we joked
with and laughed
with.**

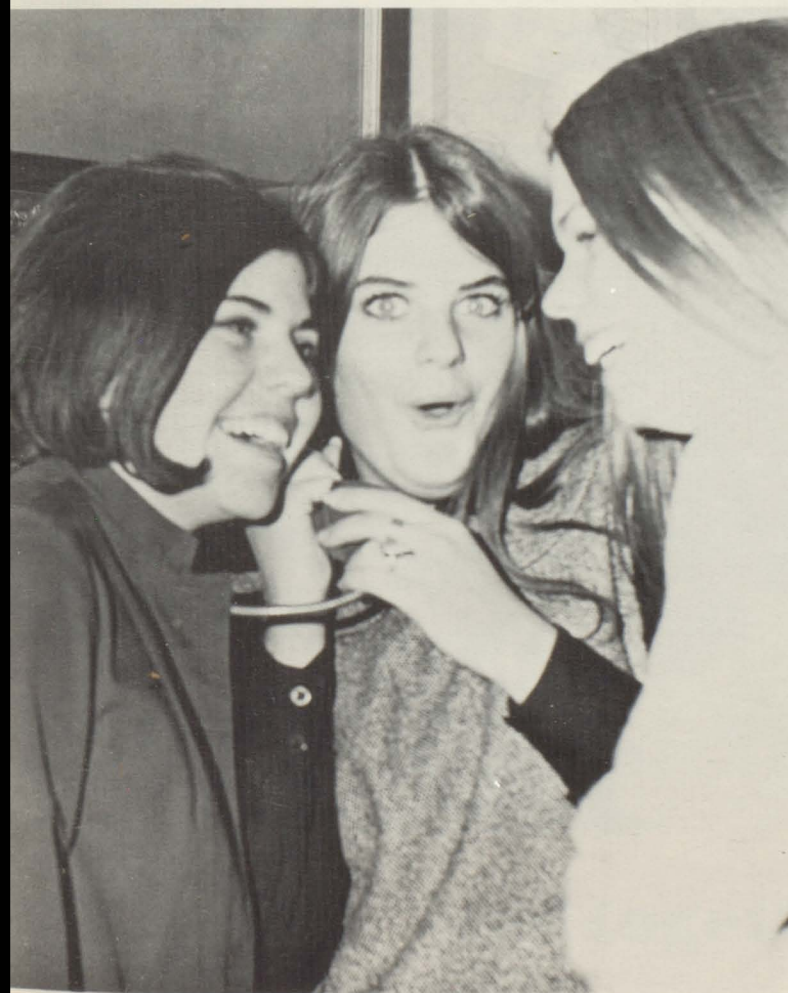

**These are
the people we
studied and learned
with.**

**We will share moments
now and remember
experiences later**

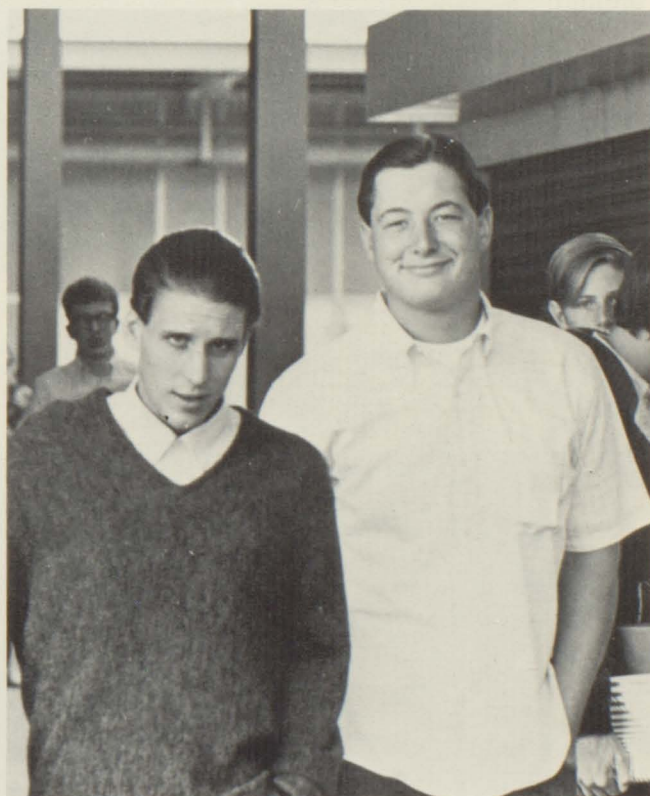

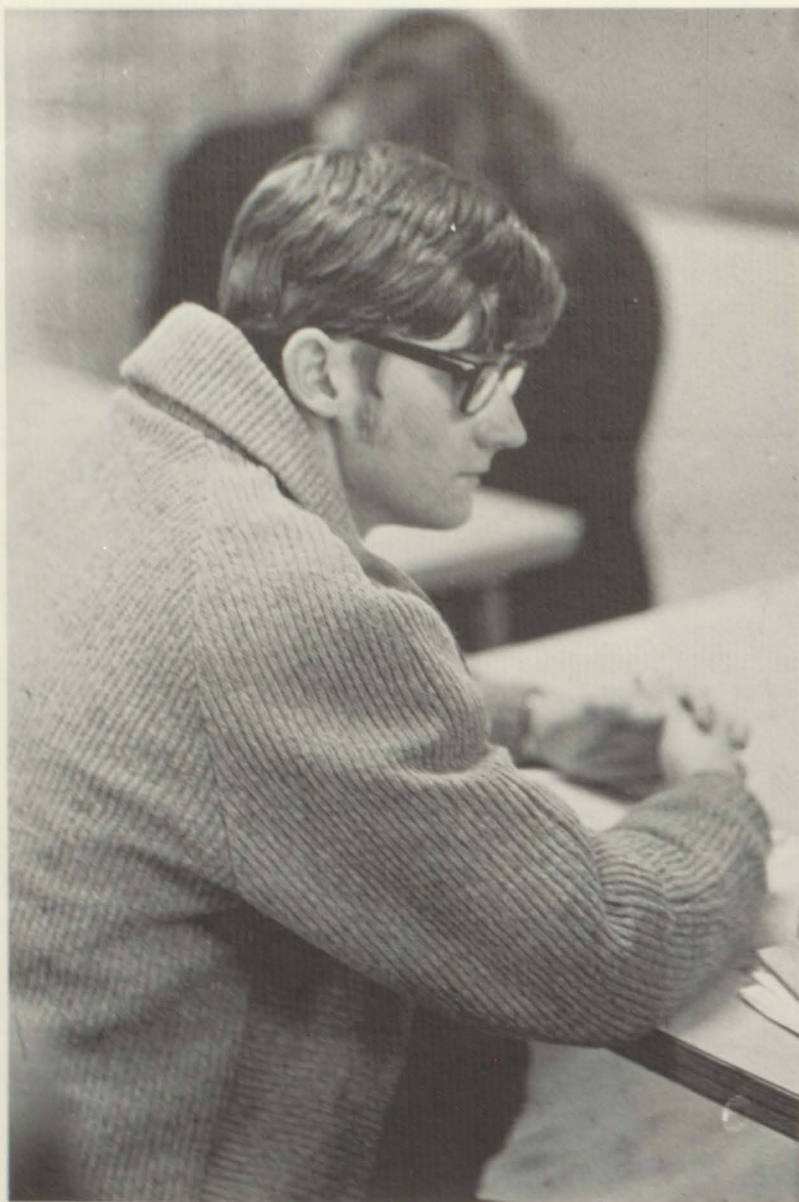

Such experiences as loneliness,

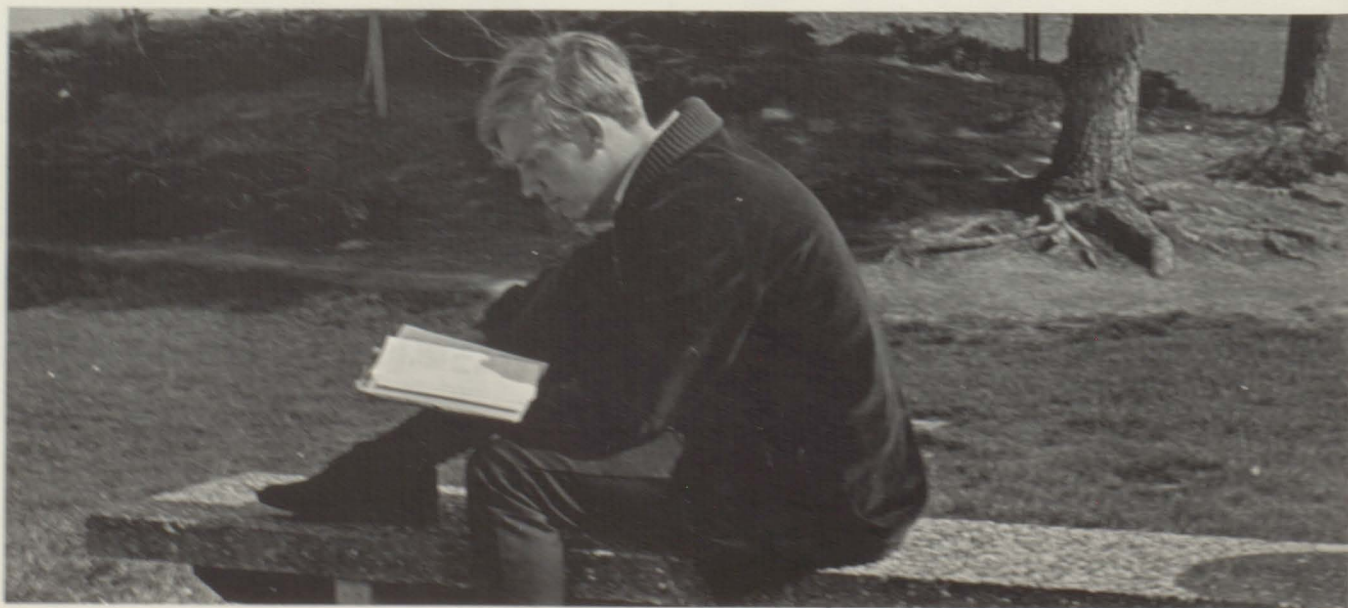

happiness,

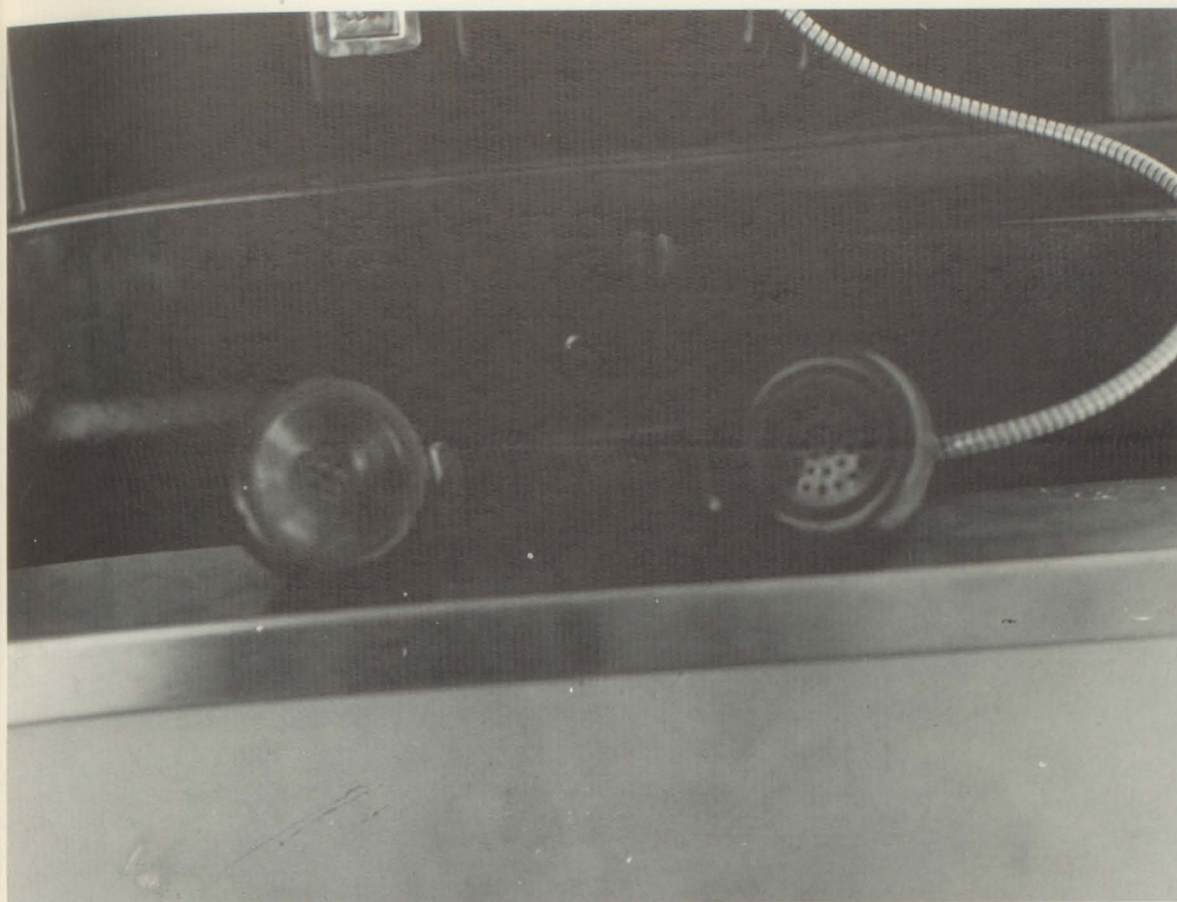

and togetherness.

**Now,
what does**

the future hold?

As the foreign exchange student to Mills from Bolivia, Monina Loayza has been able to experience living and learning in the United States.

"I like very much the opportunity to choose subjects. The teachers and students of Mills are very friendly."

Her home away from home has been with the family of Susie Plummer, a senior here at Mills. Monina has shared many memorable experiences with her American family.

While getting a taste of American life, Monina discovered cookies and juicy fruit gum.

Of San Francisco Monina says, "I like the cable cars and the Golden Gate Bridge."

The Junior Class began the year with the selection of a Junior Class Cabinet. Under the direction of the class officers, this body succeeded in planning a great many activities. The first was the Junior Class Fun-night, "Hillbilly Medown," which was an all-classes event. This was a new idea at Mills, since everyone came dressed as a hillbilly. The dance was a fantastic success. In their money-making activities, the class ran several concessions at sports events. All the money earned was used to finance the 1969 prom, 'spring odyssey,' a memorable evening for all who attended. Hats off to the Class of '70.

The Class of 1971, proved to be very active this year. The Junior Varsity football team was undefeated and earned title of number one. The Sophomore class showed great spirit and enthusiasm all year long. Class activities include a successful fun-nite, the sale of traditional class rings, and consessions to build the treasury for future years of this great class of '71.

Led by President Bob Mendenhall; the Class of 1972 worked hard to become involved in Student Government. Among their activities, the Freshmen Class contributed to school spirit by painting posters for the Freshmen wall. In Freshmen sports the D basketball team finished in third in third place.

I Am Waiting...

I am waiting for life to begin

I am waiting for the time when there is time

I am waiting for someone to really get in another persons shoes
and understand

I am waiting for the day when our masks become unglued

I am waiting to be free from myself

I am waiting for the war to be fought which will make the world
safe

I am waiting for the meed to be blessed and inherit the world

I am waiting for a rebirth of wonder

I am waiting for people to hate apathy

I am waiting for war to be an obsolete word from ancient history

I am waiting for the United States and Russia to fly together
to the moon in the Friend ship

I am waiting for the Biafrans to get gout from eating to much

I am waiting for Martin Luther King and Bobby Kennedy's followers
to have their ultimated dream across a 30 foot screen in
black and white

I am waiting for king Arthur to turn back the clock and give
the Paris Peace talks his round table

I am waiting for George Wallace to donate his income to further
black cultures

I am waiting for the 'all-american boy' to marry the 'girl next door'

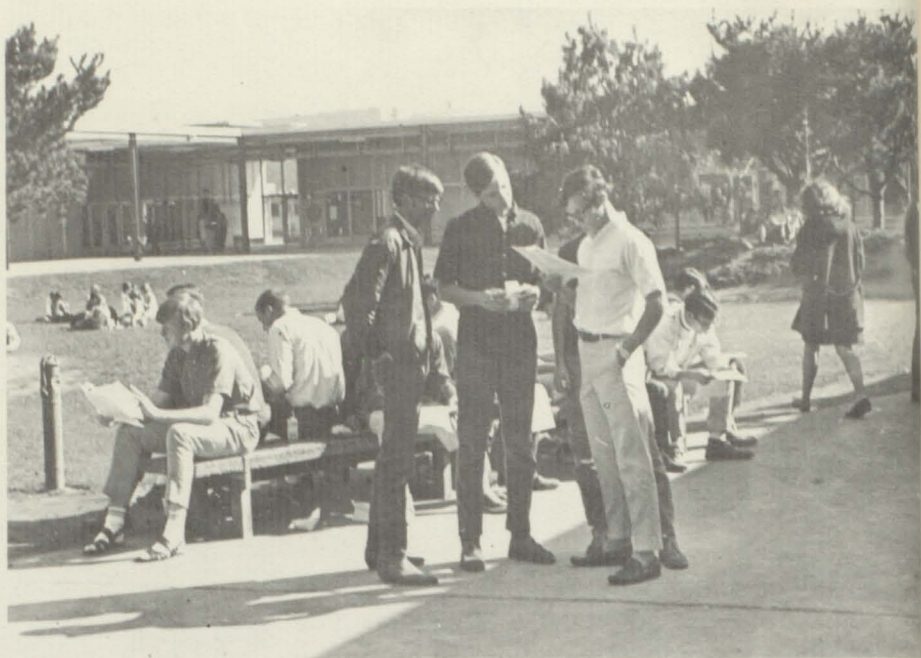

I am waiting for someone to really open their eyes and see how
beautiful this world really is

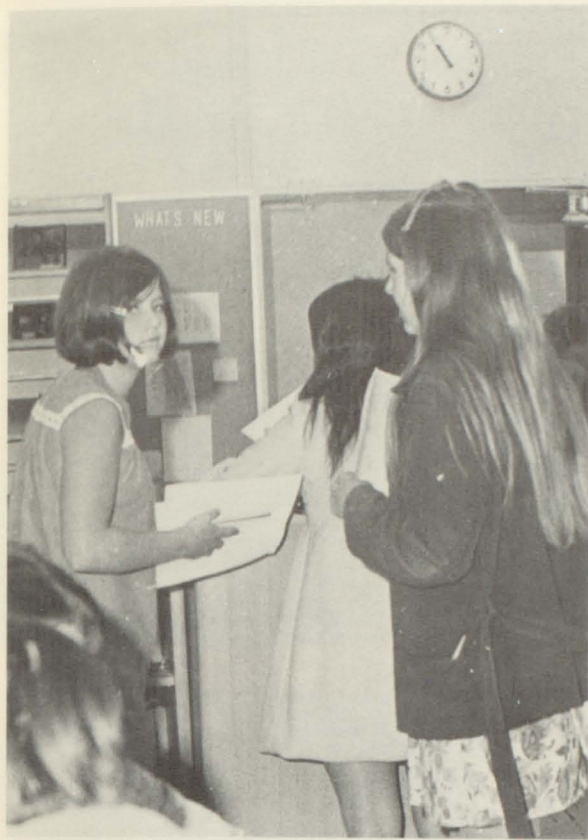

I am waiting for the draft to be something that is used just to make
beer

I am waiting for the just right moment to conquer the world

And I am waiting.....

Debate, Deliberation, Decision

The senate this year worked under a revised system which allowed for greater efficiency. Six senators were elected from each class, making a total of twenty-four senators. With the formation of senate committees, each piece of legislation was investigated before the vote was taken. Under the direction of Rich Barron, Student Body Vice President, the senate worked primarily on passing statutes for the new constitution, which went into effect in the spring semester of this year.

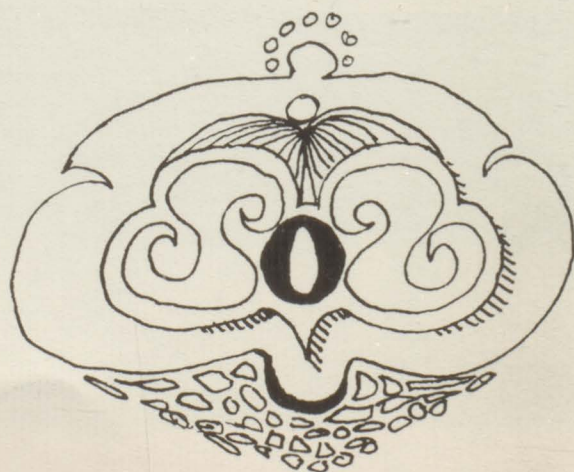

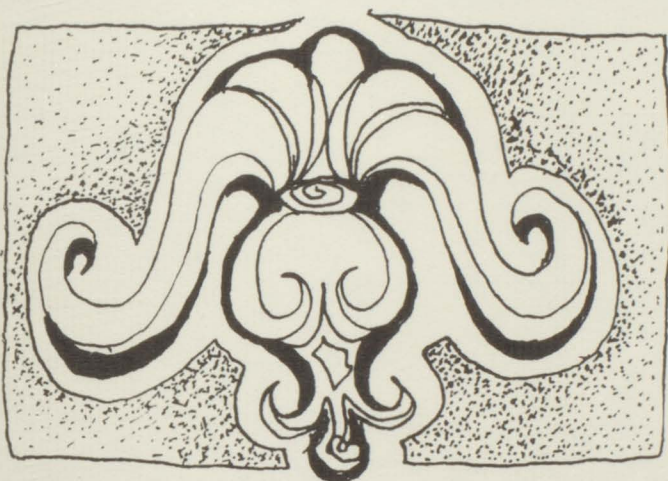

Social Commission

The function of the Social Commission is to plan the social events of the year. In this way they help to make life at Mills a little more interesting. The fall commission was mainly concerned with the fall Student Government Dance, Welcome Dance '68. Spring commission activities included the organization of a big sister program, a first annual Easter egg hunt, and a ping-pong tournament during lunch. The fall commissioner was Susie Plummer. Assistant commissioner was Amy Friedman.

Welcome Dance

The first function of the Social Commission was to plan the 1968 Welcome Dance. Surrounded by the music of "The Sky," newcomers were welcomed and those already familiar with Mills were reacquainted after the long summer. This dance was termed one of the most successful of the year.

THE HOUSE OF Bernarda Alba

Fran Lembi

Jackie O'Connell

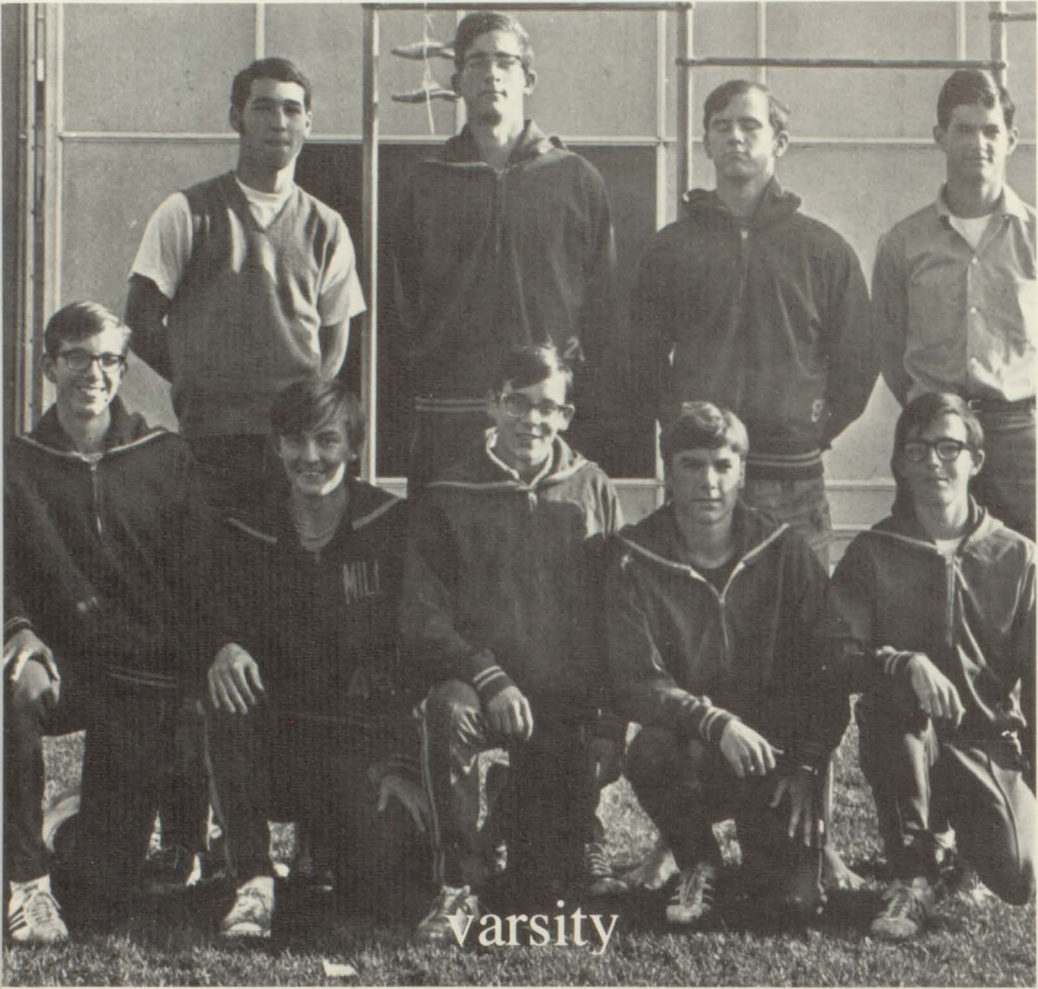

A dark, tense mood filled the auditorium during the fall term play, "The House of Bernarda Alba". The audience sat transfixed as the frustrations, inhibitions and inner emotions of five women unfolded before them. This drama, by Fredrico Garcia Lorca, concerns five sisters who are kept apart from the world around them by their tyrannical mother. The characters were portrayed with great feeling and excellent acting. In the end, the curtain closed on a moving and tragic scene which had great impact on the audience.

COUNTRY

The Christmas Formal, "Mistletoe Mystique," took place on December 13, 1968. This dance, the only girl-ask-boy dance of the year, was sponsored by the girl's MV-6 club. The decorations, including large candy canes and Christmas arrangements in each corner of the room, enhanced the evening for all who attended.

ROARING
 60's

Each Wednesday, after school, the Millbrae Bowl plays host to the Roaring 60's Bowling Team. The students bowl in twenty teams of four each. Members of the team have the opportunity to compete in bowling tournaments. Chris Arenas, a member of the team, won first place in the Los Angeles District Bowling Meet. Mrs. Flo Nelson acts as faculty advisor to the group.

Book Voice: This little book is designed to tell you everything you need to know about the science of getting ahead. Now let us suppose you are young, healthy, clear eyed and eager, anxious to rise quickly and easily to the top of the business world. You can!

Finch: I Can!!!

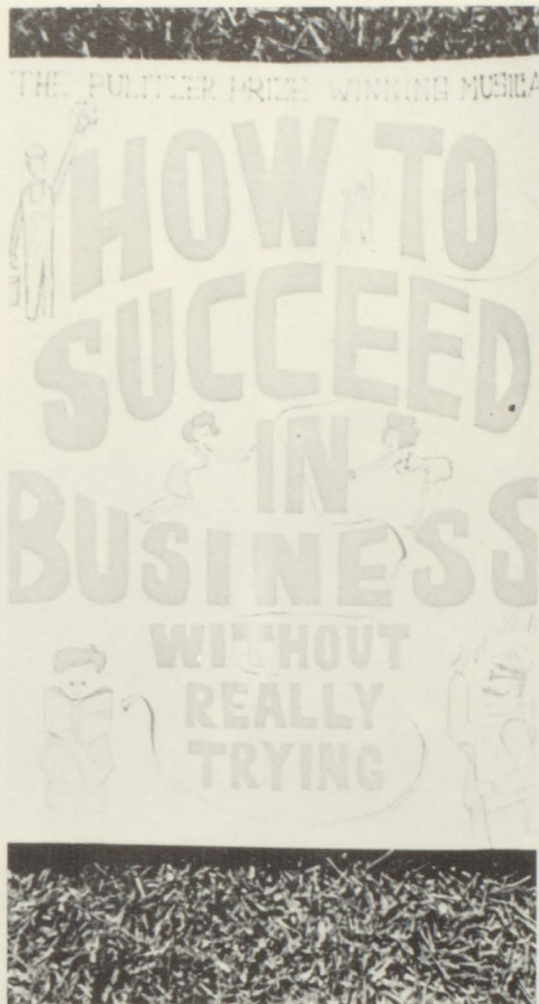

Book Voice: If you truly wish to be among the lucky golden few, you can!

Finch: I Can!!!

In this same optimistic spirit, the cast, crew, and entire production staff of the Spring term play, "HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING", cried out to their challenge, "We can!!"

Through exceptional acting, vivid characters came to life amidst colorful and exciting staging. They captured the hearts of all as they continually made satirical stabs at the stereotyped business world of the twentieth century. "HOW TO SUCCEED. . . .", was by far the most spectacular play in the history of Mills High.

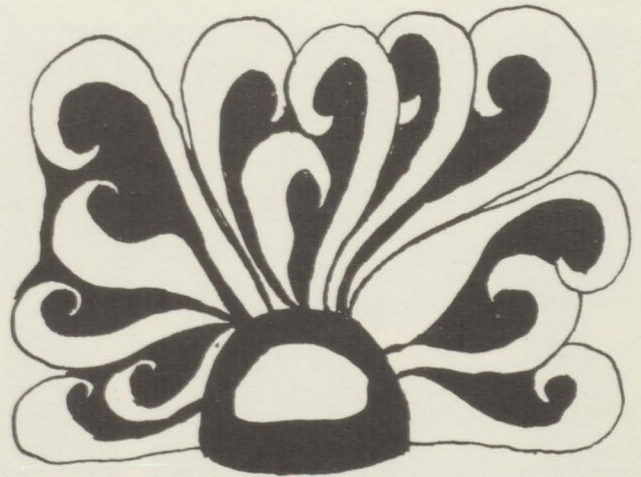

A. F. Corey

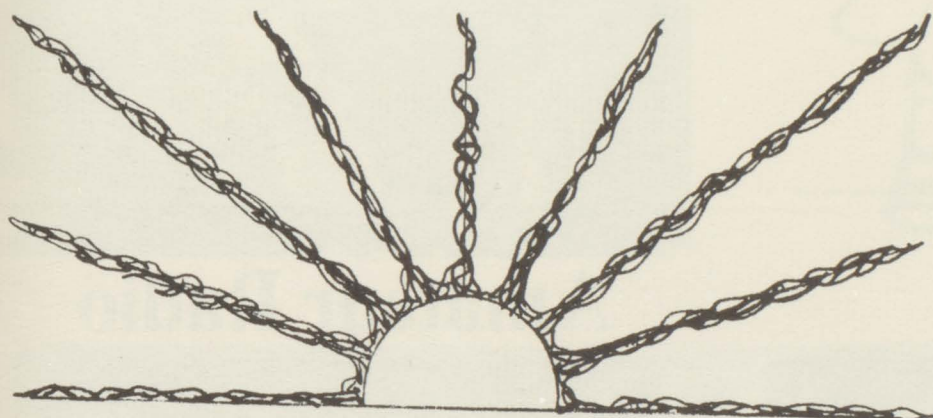

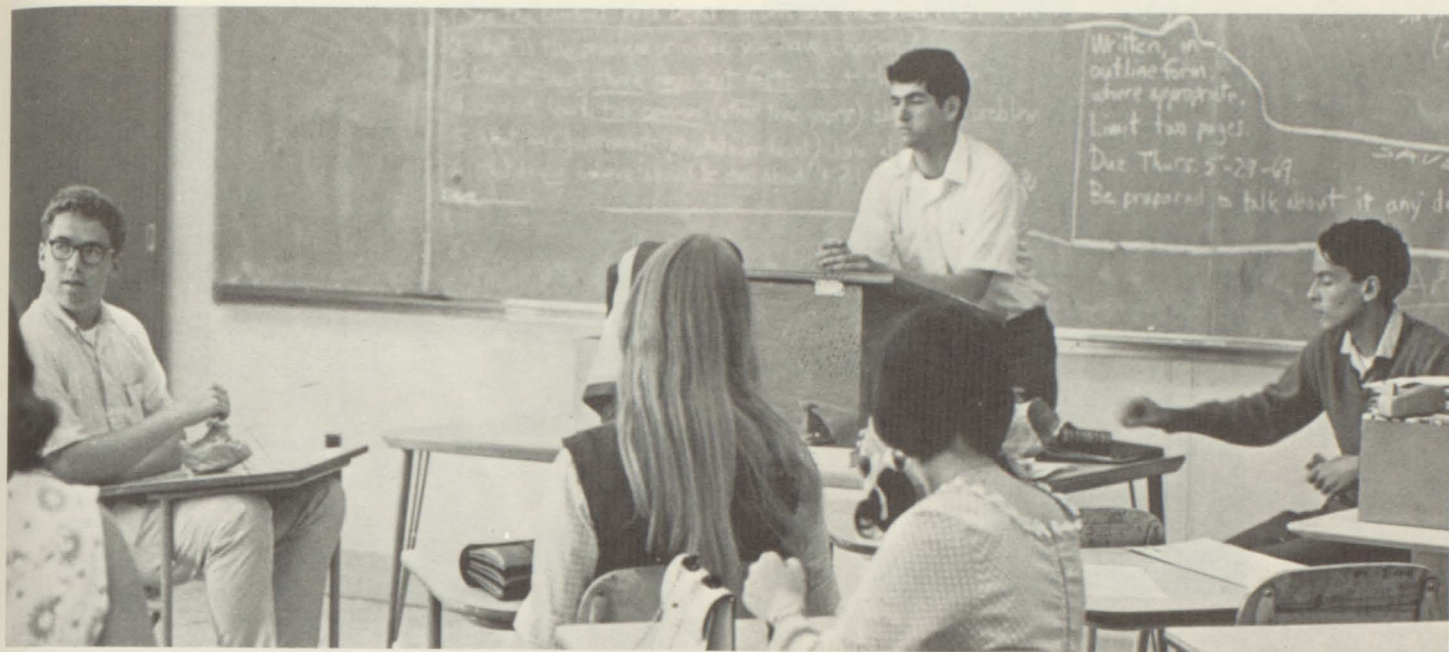

Students in the A.F. Corey club are given opportunities to gain teaching experience by working as teacher's aids in local schools.

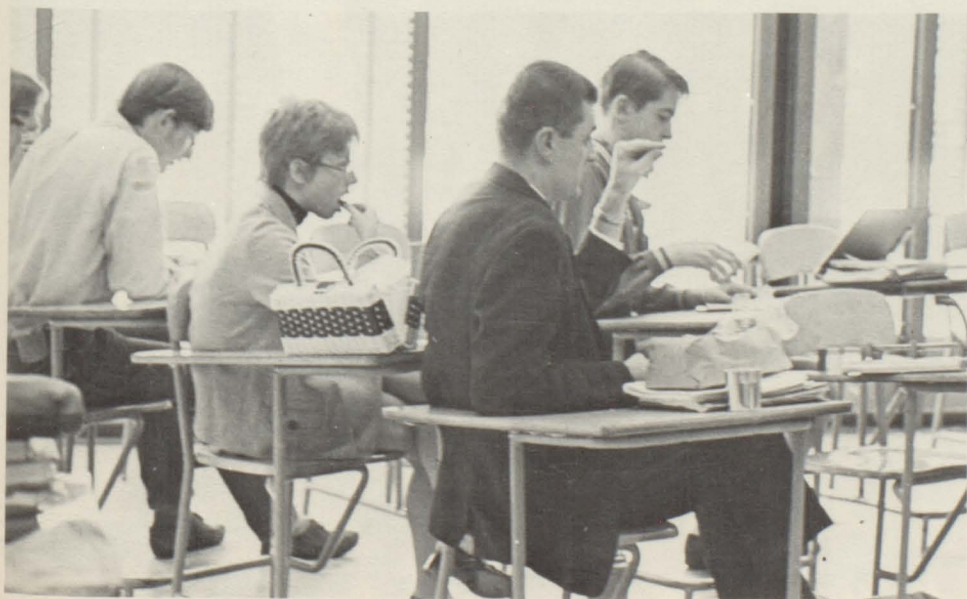

During the fall semester, the group visited the Palos Verdes School for Mentally Disabled Children. After spending the morning hours observing classes, they participated in the school's traditional Friday afternoon dance.

Film Guild

The Film Guild brought a new awareness in the art of film making to Mills students. This club teaches the techniques of filming and offers a chance to view and criticize art films. Activities included noon-hour feature films to raise money and each student was able to produce his own film. The highlight of the year was when the Mills High Film Guild hosted the first annual Northern California Film Festival. At this event, film students from all of Northern California were invited to submit their films for review and criticism. The Film Guild was one of the most successful and productive clubs at Mills this year.

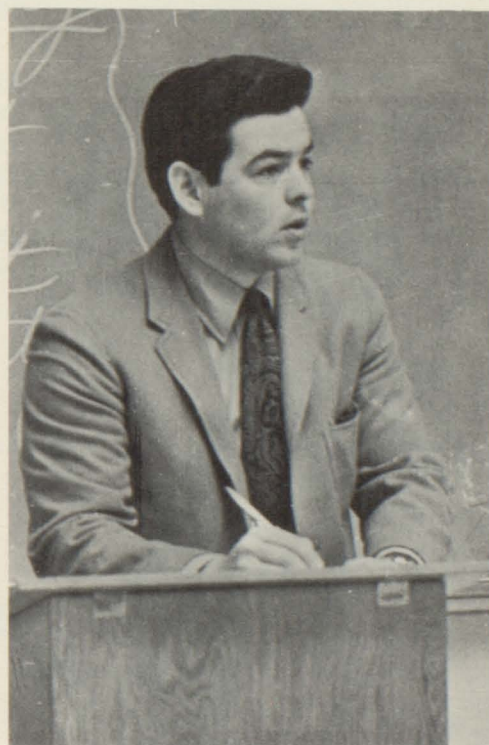

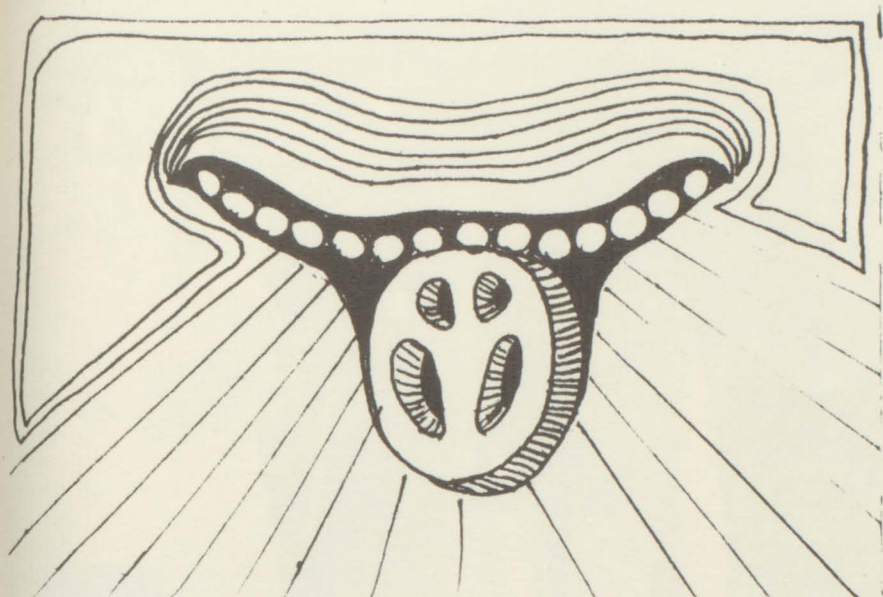

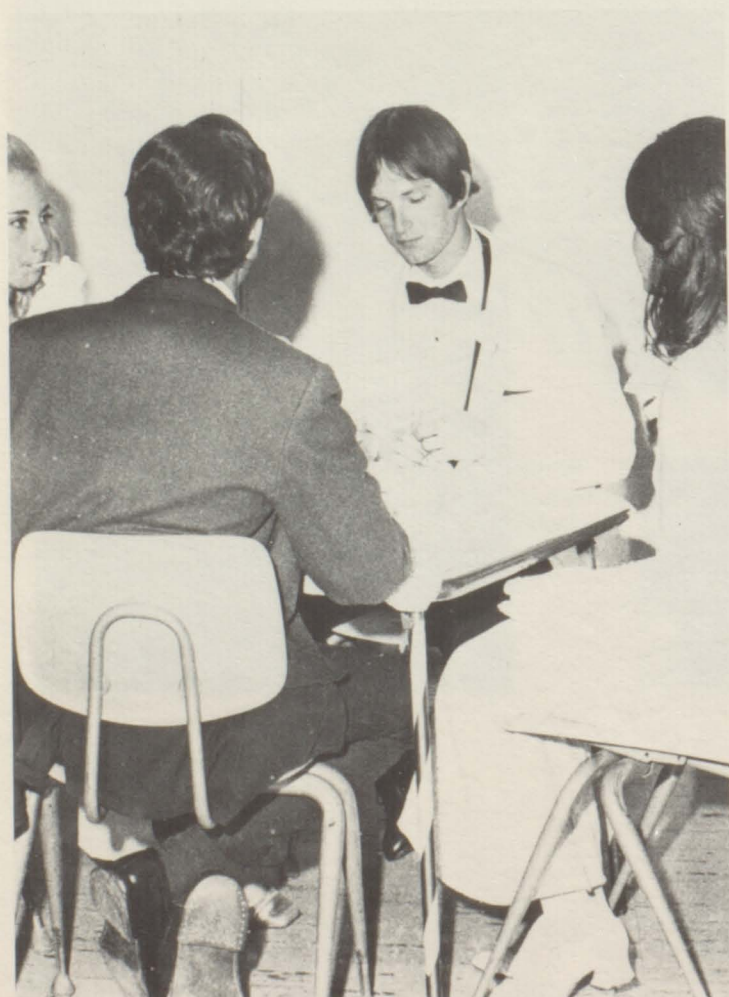

Spanish Club

The Spanish Club is designed to give students of Spanish a wider view into the customs and life of the Spanish speaking people. Among their activities were fiestas and a tutoring program.

Spring Odyssey

The Class of 70 Presents
their Junior Prom
Spring Odyssey

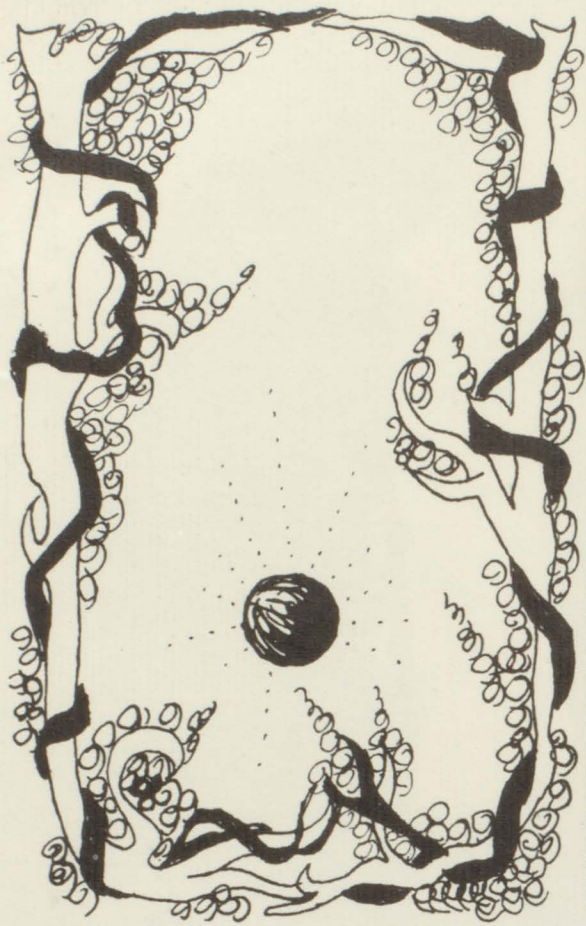

featuring
The Brotherly Love

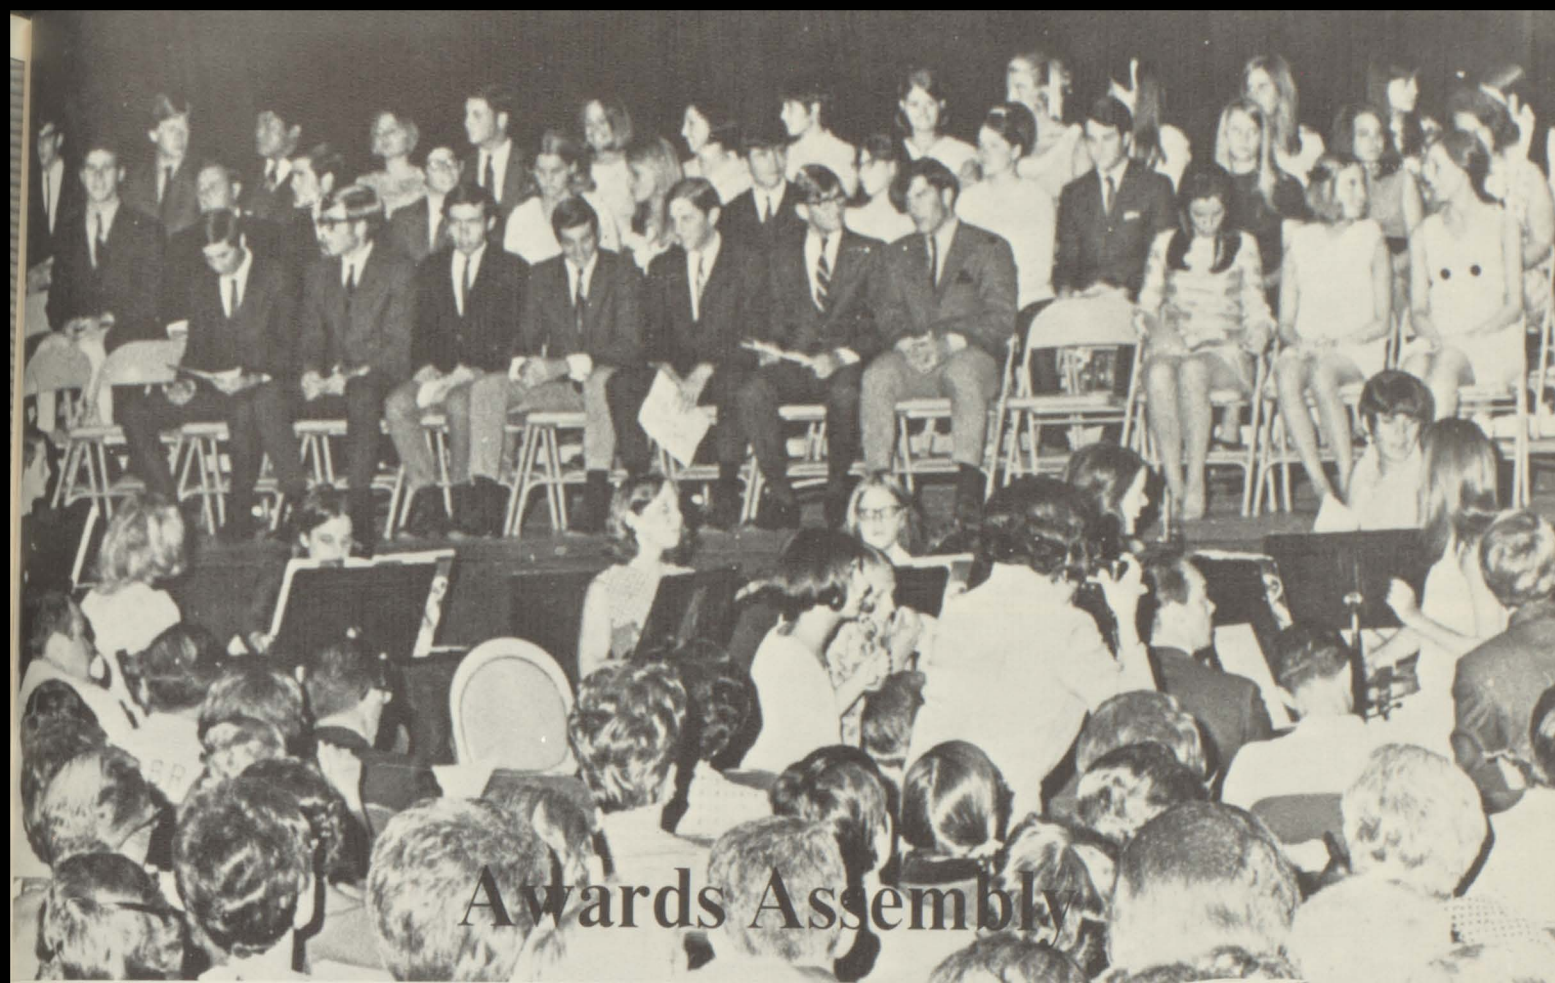

Friday, May 9, 1970 7:00 p.m. to midnight
\$4.00 with Student Body Card \$2.50 without Card

On May 9th, the Class of 1970 welcomed the splendor of spring with their Junior Prom, "Spring Odyssey". Couples danced to the music of "The Brotherly Love" surrounded by decorations glorifying the happiness of the season. Pastel flowers and brightly colored lights brought to life the warmth of spring. All those in attendance found the evening to be most enjoyable.

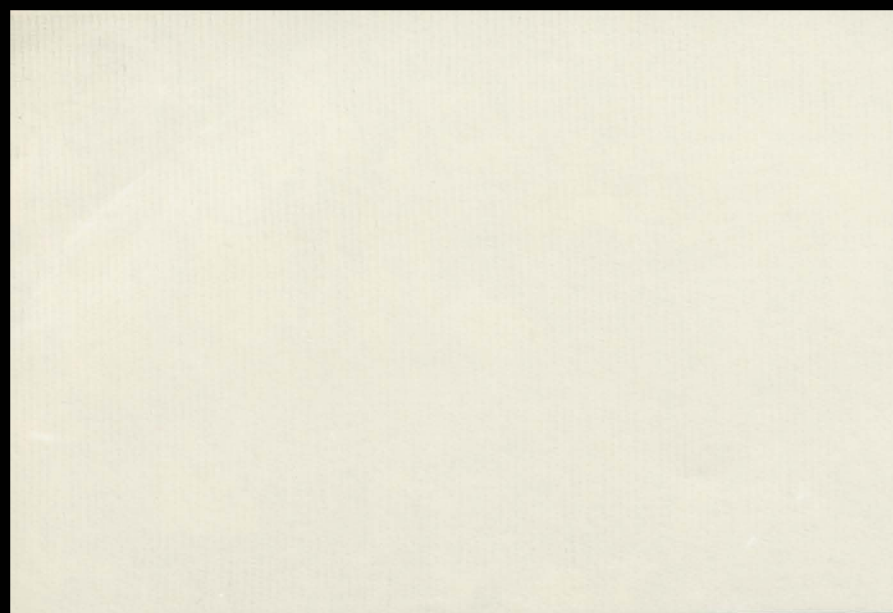

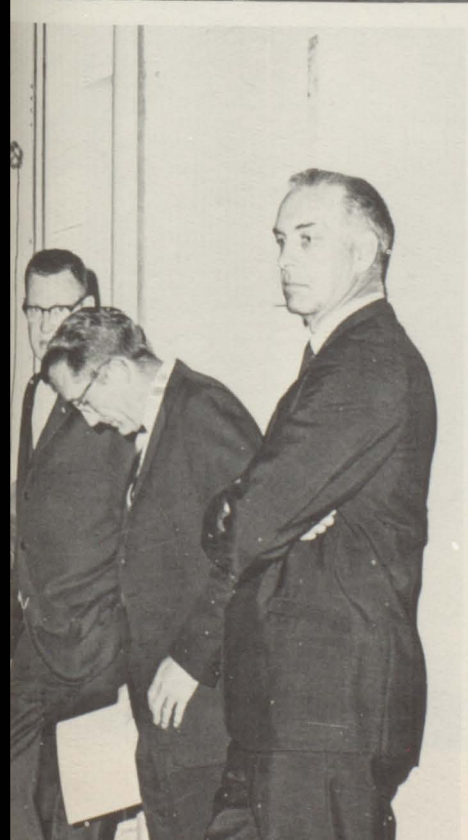

Awards Assembly

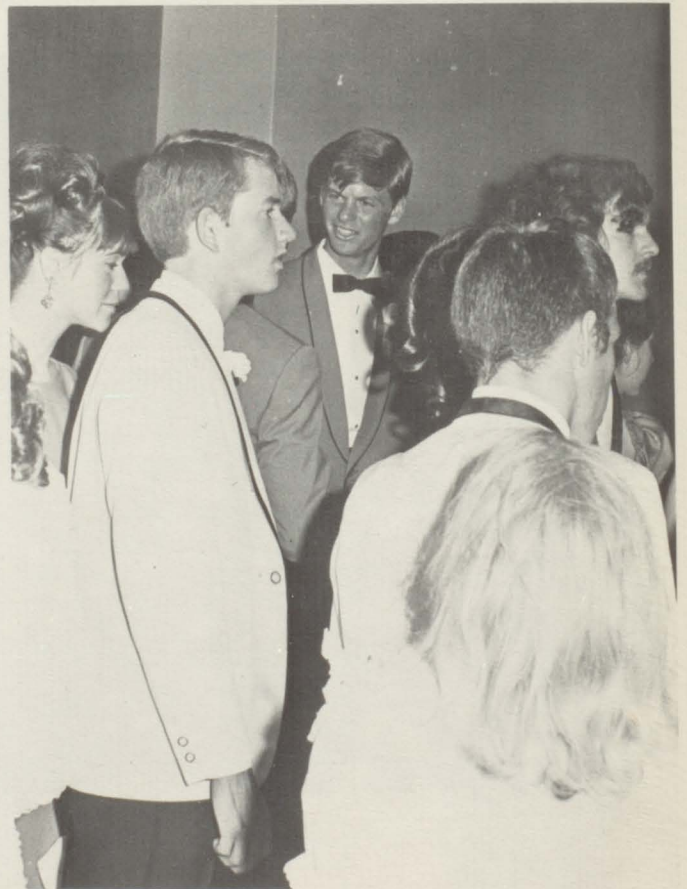

Elegance was the key to the 1969 Senior Ball. "Val Hala", "Viking Heaven" in Norwegian, was held in the Pacific of the Villa Hotel in San Mateo. In keeping with tradition, a Senior Ball King was crowned to resign over the dance. Rick Lee, wore the crown for the 1969 Senior Ball. All those in attendance found "Val Hala" at the Villa, to be an evening which will be long remembered.

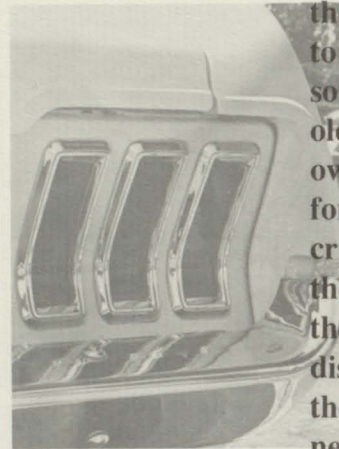

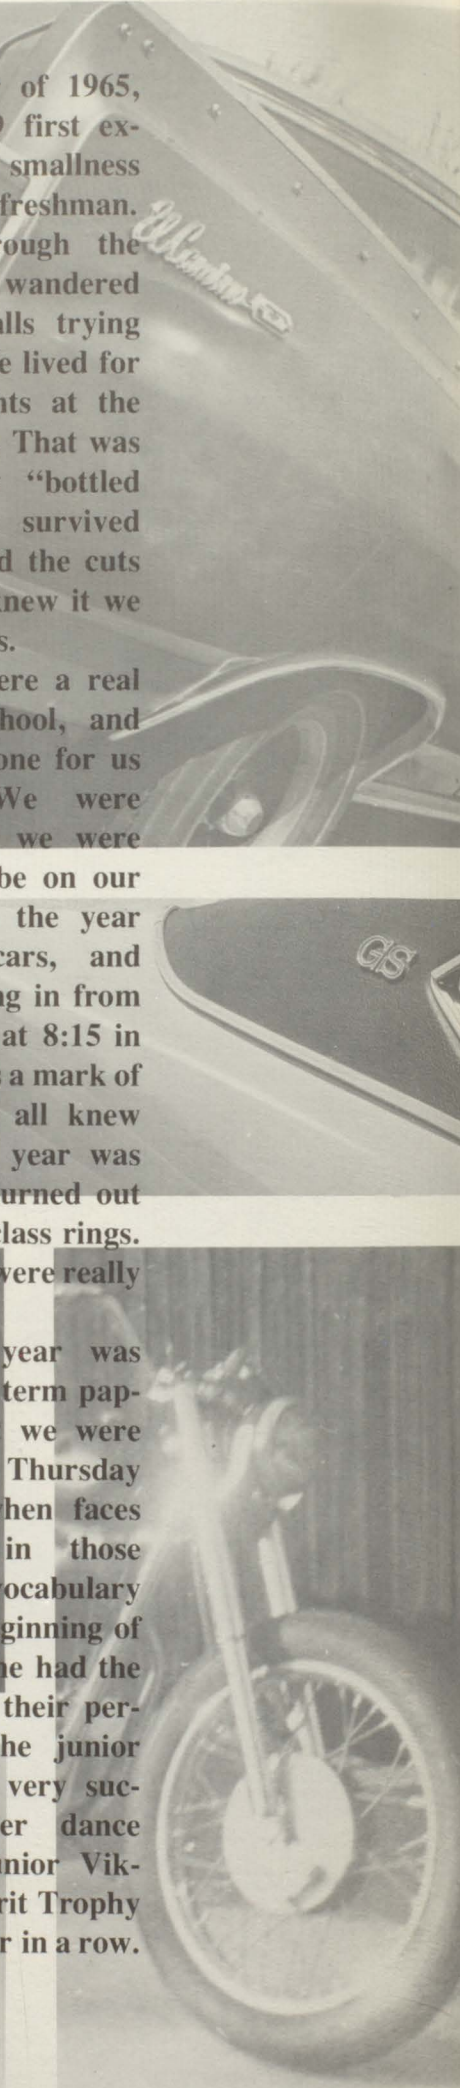

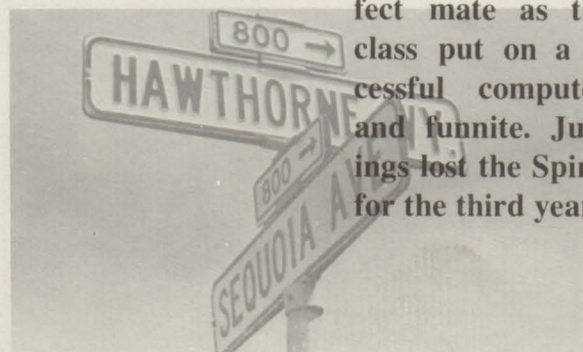

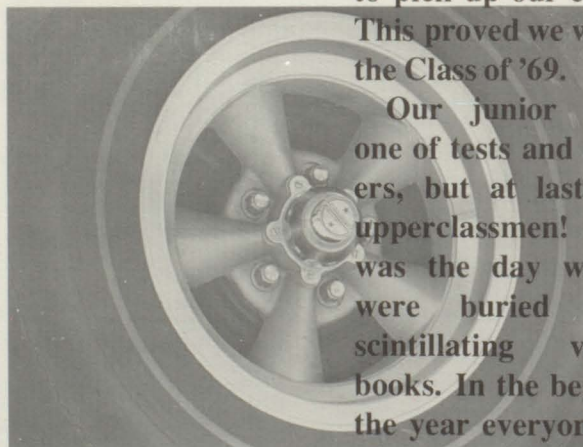

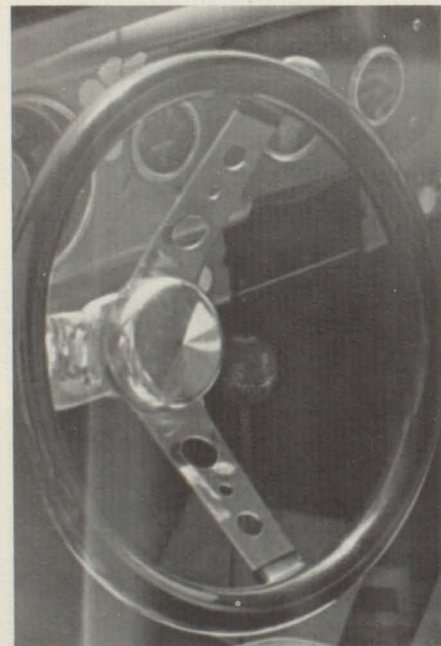

In September of 1965, the class of '69 first experienced the smallness one feels as a freshman. We waded through the forms and wandered through the halls trying not look lost. We lived for the Friday nights at the "Y" or the Rec. That was year we really "bottled Cap". But, we survived the criticism and the cuts and before we knew it we were sophomores.

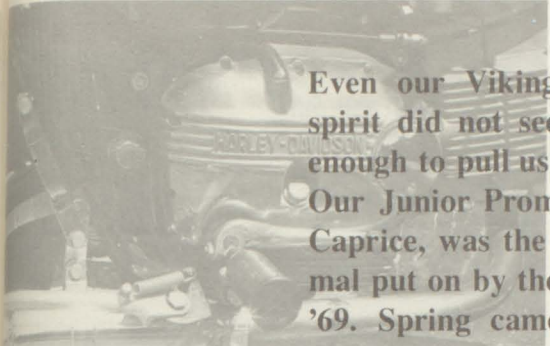

Finally we were a real part of the school, and there was someone for us to criticize. We were sophomores and we were old enough to be on our own. This was the year for licenses, cars, and cruising. Walking in from the parking lot at 8:15 in the morning was a mark of distinction. We all knew the end of the year was near when we turned out to pick up our class rings. This proved we were really the Class of '69.

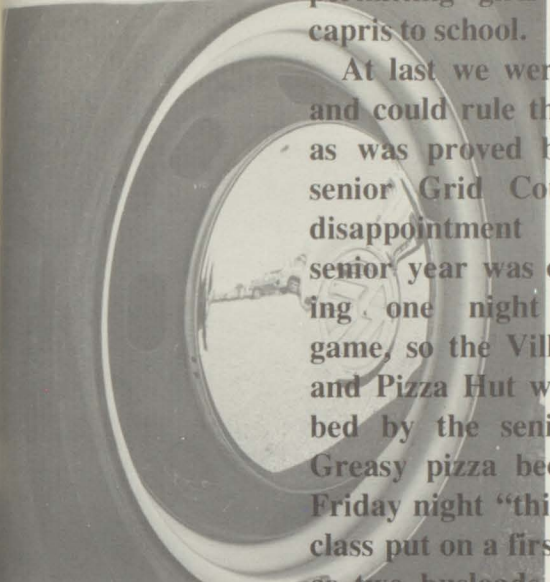

Our junior year was one of tests and term papers, but at last we were upperclassmen! Thursday was the day when faces were buried in those scintillating vocabulary books. In the beginning of the year everyone had the chance to meet their perfect mate as the junior class put on a very successful computer dance and funnite. Junior Vikings lost the Spirit Trophy for the third year in a row.

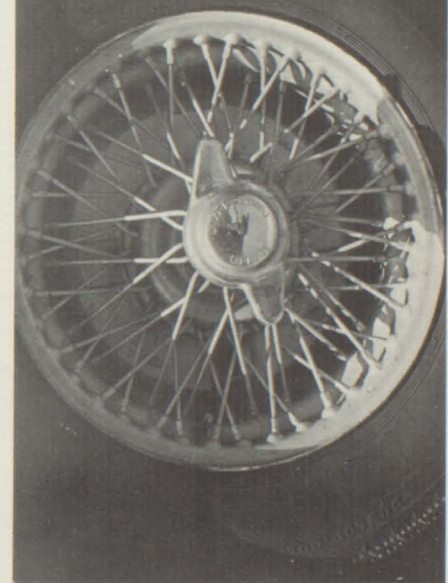

Even our Viking ship of spirit did not seem to be enough to pull us through. Our Junior Prom, Cameo Caprice, was the first formal put on by the Class of '69. Spring came and so did the new dress code, permitting girls to wear capris to school.

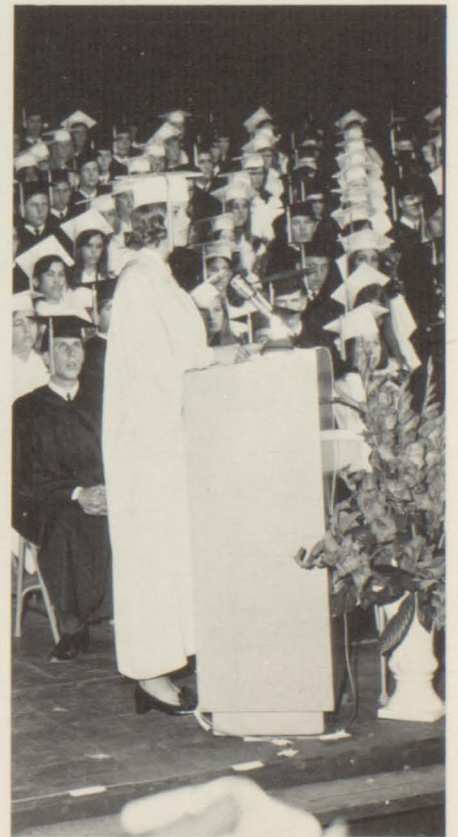

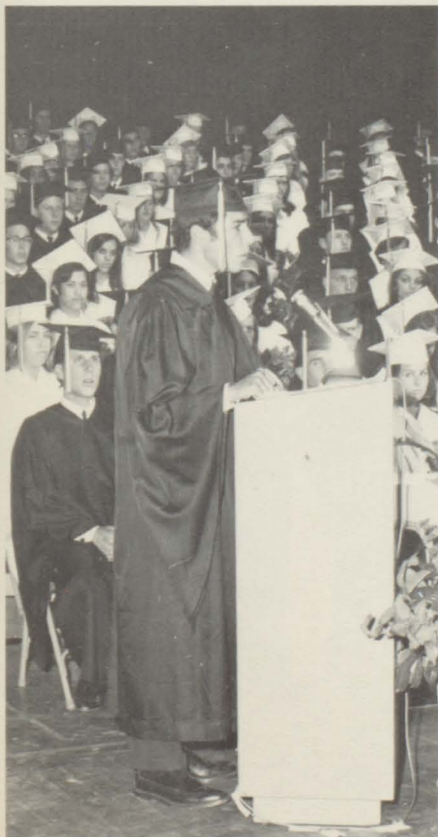

At last we were seniors and could rule the school, as was proved by an all senior Grid Court. The disappointment of our senior year was only having one night football game, so the Village Host and Pizza Hut were mobbed by the senior class. Greasy pizza became the Friday night "thing". Our class put on a first at Mills as two busloads of sleepy seniors took to the slopes of Dodge Ridge on a non-school sponsored snow trip. The first was such a success that there was a second. The Senior Ball, "Val Hala", Viking Heaven, was held at the Villa Hotel. It was the last dance attended by most seniors. Dunes Beach was the sight that saw the only legal cut that seniors ever had. Tackle football, Frisbee, sandfights, and cold water were all part of Senior Cut Day. As elections came and new spirit leaders were chosen, it is time that one realizes that his high school days are really over. The grand finale of the senior year was Grad Night '69, The Great Escape.
